Introduction

Action Metals is a distributor of flat-rolled prime and secondary steel products. We are located in Southeast, Michigan and serve the needs of a broad customer base.

Action Metals, Incorporated is a Michigan corporation established in 1987 with Mark Denney the President and CEO responsible for all operations.

Mission Statement and Quality Policy

Action Metals, Incorporated is committed to understanding and meeting the quality needs and expectations of all our customers, both prime and secondary users, each with their own requirements.

As President of Action Metals, Inc., I affirm this commitment, and have established a comprehensive quality assurance system which will allow our company to meet all of the requirements of the ISO 9001 quality assurance standards. Our quality assurance system concentrates on providing:

- defect-free products and services to our customers
- timely delivery
- continuous improvement to all aspects of our quality system
- competitive pricing for products and services
- responsiveness to the changing dynamics of the metals industry

The team at Action Metals will adhere to the spirit and intent of this firm's quality policy, with objectives for each defined process as well as the directives of the quality assurance manual and its supporting documentation. We will strive to ensure that customer satisfaction is fully achieved.

Mark S. Denney, President
